*"Just so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father."*

Matthew 5:16

It has been said that "seeing is believing." A steward's actions are guided by faith and those actions serve as a model for others who need to see how it is done.

**Scholarship Tax Credit Legislation**

Call today and ask your legislators to co-sponsor House Bill 162 & Senate Bill 102 because a scholarship tax credit program provides educational opportunities for all Kentucky students. Contact your local representative and senator by visiting: [www.lrc.ky.gov](http://www.lrc.ky.gov) and clicking on "Who's My Legislator." Call the legislative hotline at 1-800-372-7181 and leave a message with your representative and senator. Creating such a program will immediately benefit low and middle income families and families with developmentally disabled children. Under this program, individuals & businesses donate to scholarship granting organizations and in return receive a non-refundable tax credit. With these additional scholarship funds, all students can be in a classroom that best meets their unique needs.
