Black and Indian Mission Collection

Today we will take up the annual Black and Indian Mission Collection. This Collection exists to help diocesan communities build the Church and preach the Gospel of Jesus among the African American, Native American, and Alaskan Native people of God. Your donations help fund parish-based catechetical programs, support teacher and catechist professional development, encourage vocations to the priesthood and religious life, and create diocesan structures, such as our own archdiocesan Office of Multicultural Ministry, that support ministry and evangelization in these diverse cultural communities. Please be generous.

Mowing Season Begins Soon

During mowing season at both St. Mary and St. Theresa Cemeteries, no flower arrangements, statues, benches, or other objects are permitted on the ground that will interfere with mowing or weed-eating of the cemetery. Shepherd hooks are acceptable only if they are placed right next to the monument and the arrangements hanging from them don't interfere with mowing/weed-eating. Small statues or any other small objects placed on the base of a monument must be glued to the base so they don't end up on the ground. Please note that when flower arrangements get blown off a grave due to winds, we have no way of knowing which grave they came from.

 for the Week**

For the Church: that we may be faithful children of God and remain single-minded in seeking to do God's will

First Sunday of Lent

"Therefore, I have now brought you the first fruits of the products of the soil which you, O Lord, have given me."

Deuteronomy 26:10

The origins of the theology of stewardship are found in this passage from the Old Testament. Stewards return the first fruits of their labors to God, not the leftovers. This practice is a reminder to always place God first in our lives.
